Dear U.S. Food and Drug Administration,  
4142 000 NOV 13 2000

I am writing you in concern of downed farm animals. I am urging you to grant Farm Sanctuary's petition (Docket Number 98P-0151 | CPI) that prohibits the slaughter of downed animals. These animals are too sick to even stand and are commonly left to suffer for hours or days without food, water, or veterinary care. This is inhumane, intolerable, and unacceptable. Please help stop the downed animal trade.

Sincerely,  
Sarah Fiorillo
